Contact: Ryan Shepherd – (707)-328-5766

ORGANIZATIONS

The Bruin Experiment (09/2018 – 06/2019)

I worked for months with local middle schoolers to create personal projects culminating with a science fair at UCLA judged by STEM faculty

Project Literacy (09/2018 – 06/2019)

I tutored local, underprivileged elementary school students in school subjects where they had received a less-than-adequate education.

Bruin Initiative (09/2018 – 06/2019)

Taught free SAT math tutoring sessions to local high school students. I introduced them to not only mathematical methods but general problem solving techniques as well
